Not to Miss!

Alsorg introduces three home collections - Living Room Collection 1, Living Room Collection 2 and Outdoor Furniture Collection. From burgundy chairs to metallic side tables, the entire Living Room Collection reveals luxury and sophistication. The Outdoor Furniture Collection which is along the lines of Biophilia, includes the use of organic materials such as wood and stone. (alsorg.com)

Spectrum of Designs

Villa Ortiga launches its flagship furniture and lifestyle studio at Jangpura, New Delhi. Founded by Architectural Designer Sarabjit Singh, the studio showcases decor and curated objets d'art - from modern to vintage and with influences from many world cultures. The collection includes a variety of furniture pieces and with curations of art, lighting and collectibles by a professional team of architects, designers and stylists. (villaortiga.com)

Mindful Luxury

Casa Paradox celebrates Timeless Love this festive season. From plates to accessories and lamps, the products are composed of semi-precious stones such as onyx and malachite. Another material that's gaining momentum for the right reasons is porcelain. Gold plated cutlery, bar cart or rock crystal obelisk are some statement pieces which can add that grandiose element to decor. (casaparadox.com)
